It is with great pride that the yearbook staff presents the 1983 WEICON to the Senior class. This year, the theme "Memories" was chosen as the theme of our yearbook, and hopefully, we have captured many fond memories of happy times our students have experienced at Conrad Weiser over the years. On behalf of the WEICON staff and the assistant editors, I wish the Class of 1983 the best of luck and success in the future.

Sincerely,
Daniel S. Brehony

To The Senior Class:

The time has now come for each and every one of us to say good-bye to Conrad Weiser and begin the future elsewhere. Some of us have chosen to continue our education, while some have decided to use the knowledge and skills learned in high school in the working world. Wherever your paths may lead, to all of you I wish the very best life has to offer.

Among our fond memories of C.W. are the Jr. Prom and the Chicken Bar B-Que. It was no easy task to set the new school record of selling 4200 chickens. However, the fun we had was well worth the effort.

We, the class of 1983, must now move on, for there is an unpredictable future awaiting all of us. But the cherished memories of Weiser High and the everlasting friendships will remain in our hearts forever.

Lisa Moyer,
Class President

POISE PERSONALITY PROMISE

TINA STRICKER

When my name was announced as Conrad Weiser's Jr. Miss representative, I didn't know whether to laugh or cry. From the comments of past junior misses I knew I was in for a lot of responsibility and work, but also a fun and memorable experience.

It didn't take long for the fun to begin. Before long, nineteen other friendly and talented girls and I were miniature golfing, swimming, playing softball, and laughing together.

Then the responsibility began. However, the work of learning dance routines, "brushing up" on current events, and preparing a talent presentation was well worth the honor of representing a supportive school of champions.

I can't thank everyone enough for allowing me to have such a meaningful experience. I have gained self-control before a panel of judges, poise, greater confidence in myself, many friends, and three pairs of pantyhose! I'd like to thank everyone again for their help and support, and I wish future junior misses the best of luck and happiness.

BOARD OF EDUCATION

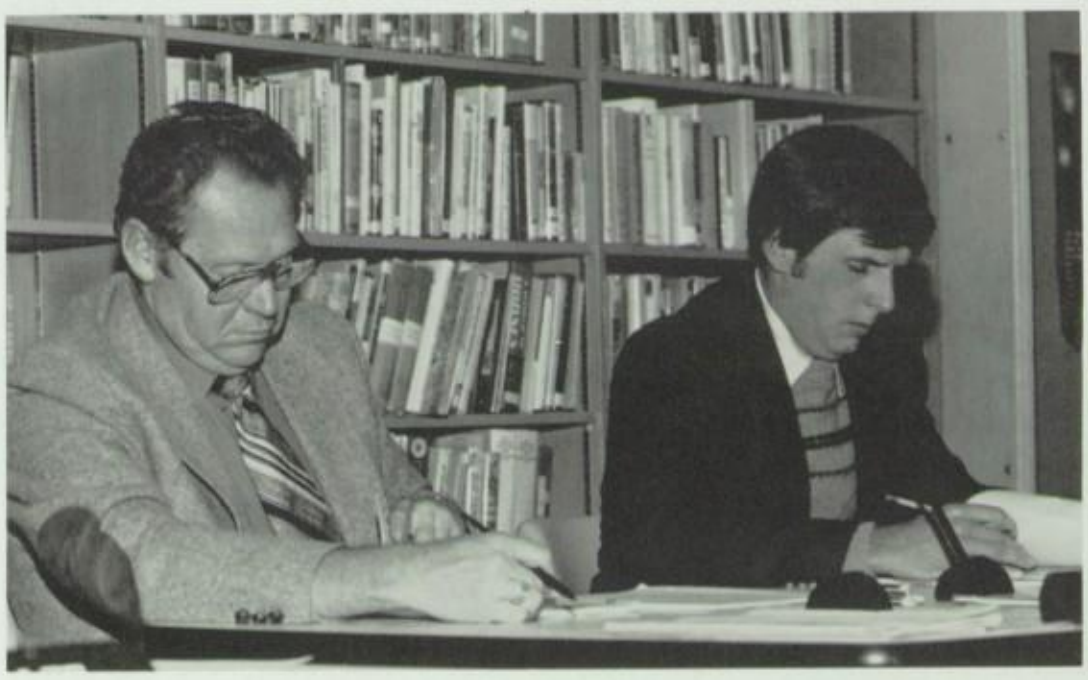
Conrad Weiser Board Of Education: First Row: Kenneth W. Long, Richard C. Miller, Harold R. Mayes, Charles A. Hartman, David Baker; Second Row: James P. Shultz, Leonard G. Wolfe, Richard E. Hummel, Dennis J. Manbeck

As we gear up to face the challenges for the balance of the 80's, we of the Board of Education, as well as the student body, must be prepared to adapt to our changing environment. Policies and procedures that were time proven in the past may no longer apply. The computer age has changed the way we think and conduct business-like it or not it's here to stay-at least for a while!

Your Board of Education has long recognized that the operation of any school district can be paralleled to that of running any business today. We too are faced with major decisions that will affect the outcome of the educational process. You say, well business should make a profit for what we call "The bottom line." We say, we do make a profit at Weiser and that profit equates to the Class of '83 being prepared to face the real world and to continue the life process. That's the bottom line at Weiser.

Your Board of Education is made up of people from all walks of life; big business, small business, independent business and farming. They bring together their expertise along with that of the school administration. The outcome of this molding of backgrounds produces a "top notch" school we can all be proud of.

So, to the Class of 1983, as we have said so many times in the past, "We are extremely proud of you one and all. Continue on to strive to do your best and through that our life process will continue to improve."



DR. RICHARD W. MILLER

Each High School Yearbook is truly a reflection of one's own experiences during a period of one's lifetime called "Those High School Years." Your theme "Memories" is relevant to all for many years to come. Cicero states, "Memory is the treasury and guardian of all things." May Cicero's words, along with T.H. Bayly's quotation, serve as a present and future basis for making your "Weicon" the source of wonderful feelings and recollections.

"Oh, I have roamed over many lands and many friends I've met; not one fair scene or kindly smile can this fond heart forget."

May the 1983 "Weicon" serve your "Memories" well - the Best of Luck to You!

Richard W. Miller, Ed.D.
Superintendent of Schools

Mrs. Martha Trupe, Secretary

MR. TERRY W. REBER

Education provides students with a foundation for life, and the yearbook provides the school community with a permanent record of school life through a pictorial overview of each school year. Many of these events become reflections of the most precious of human faculties; memory. A wise man reflects upon past experiences before he speaks.

The student's past educational experiences can only be evaluated by their future accomplishments. Satisfying lives will grow from the ideals and perseverance learned from the schools of the past. It is our hope at Conrad Weiser that the educational experiences have afforded each a foundation to build a successful life.

Congratulations to the yearbook staff and best wishes to the class of 1983.

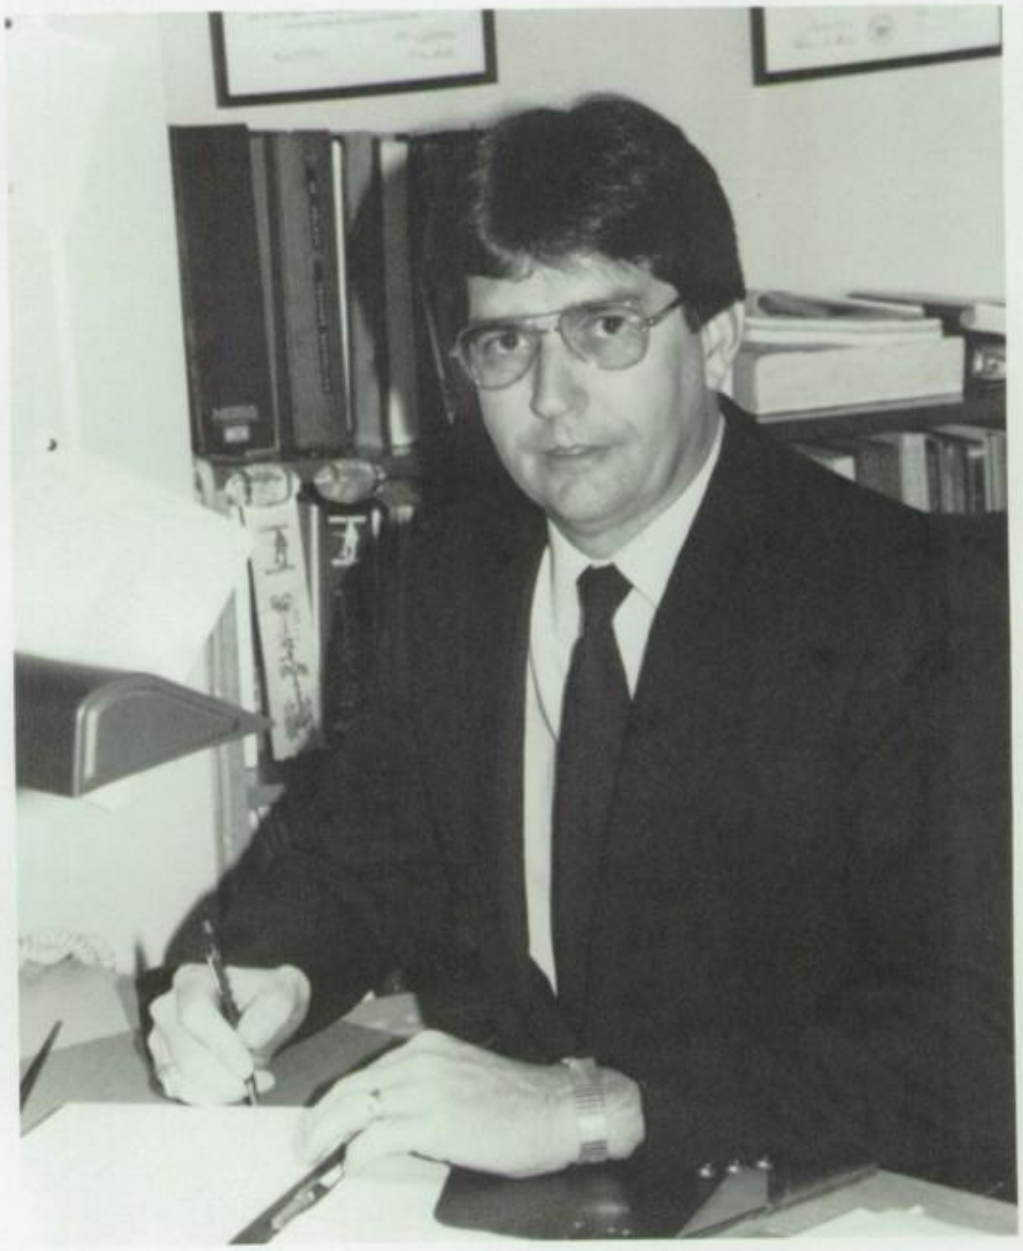
MR. GEORGE M. MCLAIN JR.



May I take this opportunity to extend to you my congratulations for achieving one of your goals in life. This twelve year experience provided you with many pleasant memories and there will be times in your future that you will reminisce about Conrad Weiser High School. Take the time to remember the place and the people who were involved in that experience, share it with others and as a result it will never leave your life. Good luck to each member of the class of '83.

Dreams are the things of which memories are made.

It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and in only a few moments you will be looking back on the years you spent and the dreams you dreamed at Conrad Weiser. When you do, the photographs, facts and dreams presented here will be your stepping stones to a happy reminiscence.

May your memories of Conrad Weiser be pleasant ones, and may your future be filled with happiness and success.

Memories will linger long
Memories both weak and strong.
Seniors, Juniors, one and all
Have many memories, large and small.

Now it's time to graduate,
Perhaps to travel land and seas.
Take some time to meditate,
About those fondest memories,
(of Conrad Weiser).

Best of luck seniors, I wish you the fondest memories of Conrad Weiser High School.

VOCATIONAL EDUCATION

VOCATIONAL AGRICULTURE

When we think of Vocational Agriculture, usually the first things that come to mind are tractors, cattle, barns, and silos. But Vocational Agriculture is more than just learning how to farm, it encompasses many different fields.

The Conrad Weiser Vocational Agriculture department meets all the requirements of today's modern farming techniques. Courses such as carpentry, small gasoline engines, dairy science, welding, and greenhouse work are just a few of the many fields of study offered to students enrolled in Vocational Agriculture.

Senior agriculture students have the opportunity to participate in a CO-OP program and get a chance to get on-the-job training for one-half of the school day in an agriculture/agribusiness area of their choice.

The FFA (Future Farmers of America) is an organization dedicated to serving agriculture/agribusiness students. Its members participate in a full 12 month schedule of activities and learn many valuable and practical skills.

HOME ECONOMICS

The Home Economics program at Weiser is made up of several courses created to teach students to be more self-sufficent. Such courses are sewing, foreign foods, super chef, costume design, and baking world, taught by Mrs. Furman and Miss Carver, substituting for Mrs. Wolf. Marriage prep, child care, clothing design, preparation for housing, and interior decorating are a few other courses that will most likely be used after the students post-high school years.

Mrs. Gwendolyn Fuhrman

Miss Paula Carver

BUSINESS EDUCATION

Preparing for a rewarding career in the business field are the Business students. The skills that are being taught prepare these students for college and work.

Students in grades 9 through 12 are offered a multitude of courses. Some of these courses range from General Business to Office Practices, as well as courses in Accounting, Typing, and Shorthand.

Any student enrolled in a business course is eligible to join the Future Business Leaders of America. FBLA is a national student organization for secondary students. FBLA helps students develop leadership abilities and to prepare for entry into a business occupation. Members learn how to engage in business enterprise; how to direct the affairs of a group; and how to compete honorably in competitive events. These activities help prepare students to be better employees.

FINE ARTS

INDUSTRIAL ARTS

The industrial arts department at Conrad Weiser offers a wide range of courses that stimulate the creative urge in all of us.

As part of the junior high students' curriculum, the basics of Woodworking, Metalcraft, Engineering Drawing; and, in ninth grade, silkscreen methods and the sometimes confusing concept of American Industry are learned and understood.

Senior high students may choose to take any or all of the advanced Industrial Arts courses such as Wood Tech., Metal Tech., Advanced Screen Process Printing, Engineering Drawing I and II.

The students get "hands on" experience; and the projects they create are interesting, practical, and useful, and most of all beautiful and decorative.

ART

Art offers a variety of courses to students. All seventh, eighth, and ninth graders have art as a minor. The senior high students are offered art as an elective major. Among the courses available are clay modeling, oil painting, art form, water color, jewelry design, commercial art, and stage design. Students taking the latter course design the stage props for C.W.'s annual musical. Art gives every student a chance to express his emotions and utilize his creativity.

FOREIGN LANGUAGE

As in other years, Conrad Weiser's Foreign Language program includes three languages. These languages are German, Latin, and Spanish.

Our German Program is under the supervision of Mrs. Laffredo. A German club was recently developed to highlight the learning program.

The Latin department is headed by Miss Rurode. The Latin Club, JCL, is very community minded. This year's contributions included Thanksgiving baskets for the needy and a visit to the children's ward at the Reading Hospital.

The final language taught at Weiser is Spanish, under the supervision of Miss Thomas. This course of study is also responsible for a newly formed club.

Language is an important part of all societies and the ability to speak several languages is an obvious asset.

MUSIC

For junior high students at Conrad Weiser, the music department involved learning the basic aspects of music composition in music class as well as in junior high band and chorus. By ninth grade, knowledge of composer's lives and works, as well as the ninth grade musical add to their musical experiences.

Senior high students can participate in senior chorus and senior band as well as specialized organizations such as glee club, choraleers, girls chorus, stage band, and pep band. The football band becomes the nucleus of the cheering section and also participates in various parades and competitions. In the spring, the band and choral groups combine to present our annual musical.

Each year Weiser also has students participating in county and district chorus, band and orchestra.

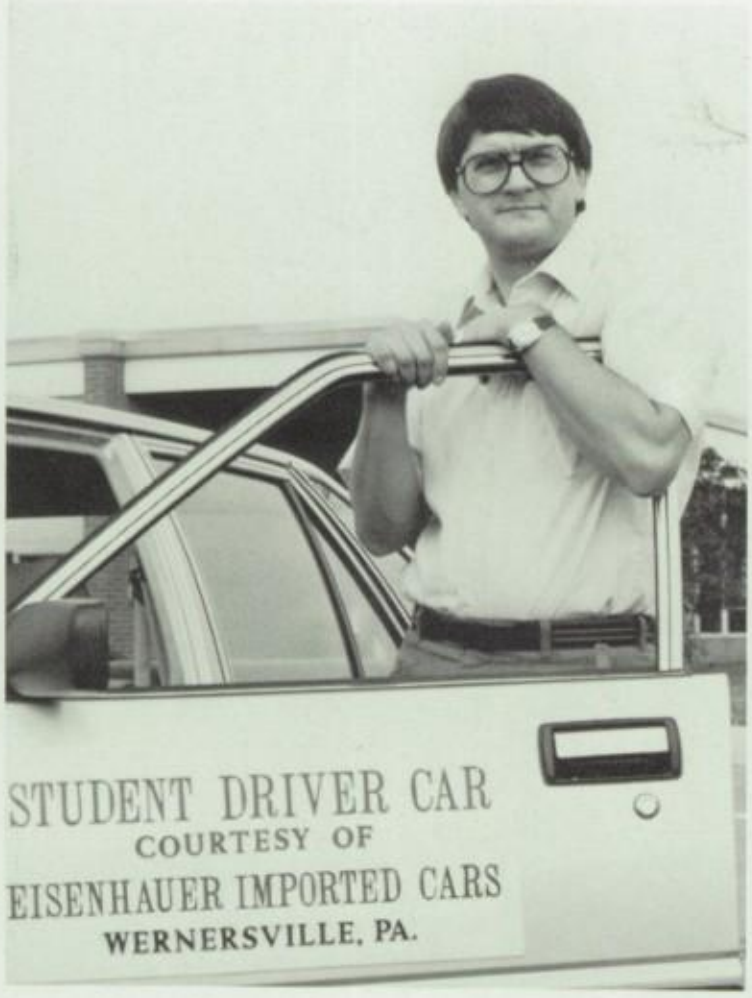
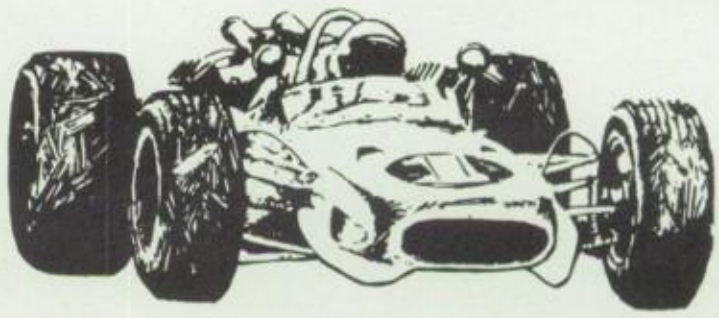
Mr. William Mills

SAFETY EDUCATION



Mr. Dennis Redcay

Conrad Weiser sophomores and juniors are involved in the practical learning experience of driver education. Sophomores spend time in the classroom learning the myriad of laws and requirements for on the road driving. Mr. Redcay shows many films to help with this process. During their junior year, students with permits or licenses practice their driving skills behind the wheel in everyday highway situations.



HEALTH & PHYSICAL EDUCATION

The Physical Education program is very popular among the students. All students are required to participate in two periods of gym class each week. Senior high students play various sports in their coeducational classes, while junior high students are taught basic skills. Seniors and juniors have the privilege of choosing from a variety of mini-courses. Archery, tennis, hockey, bowling, dancing, and volleyball are just a few of the mini-courses offered.

Health is a required course for ninth and eleventh graders. The ninth graders study the systems of the human body and the effects of smoking, drugs, and diseases on the body. The eleventh graders discuss emotions, human sexuality, marriage, and family life.

VOCATIONAL EDUCATION VO-TECH

For students who desire to enter the working world or who plan to continue vocational or technical training after high school, Vo-Tech provides the skills and training they will need.

There are many students from Conrad Weiser presently enrolled in the Vo-Tech program. The students themselves decide what skills they feel they are best suited for, and, through the Vo-Tech program, develop those skills; skills greatly valuable in today's competitive job market.

Vo-Tech encompasses a wide range of courses and study programs. Courses like Auto Body Repair, Food Preparation and Development, and Welding are just a few of the myriad of courses made available to students by the Vo-Tech program.

SPECIAL EDUCATION

The Special Education department offers individual attention to those students who suffer from either mental, physial, or emotional handicaps. Much time and a great deal of patience is devoted to each student. The special education program has each student working at his own ability level and pace. A wide variety of courses, including reading, gym, music, art, home ec., health, industrial arts, math, writing, and spelling assist the student in gaining an overall knowledge of basic skills. This special attention prepares the student to contribute to and survive in our society.

SCIENCE

The science classes are learning more and more each year. Seventh graders are learning and studying the metric system. In eighth grade, students are dissecting a worm and a sheep's eye. In earth science, ninth graders study rocks and the formation of the earth. Tenth graders are assigned two projects; a family tree and a leaf collection. Chemistry, Advanced Biology, and Practical Science are offered to juniors. By our senior year, Physics, Advanced Chemistry, and Advanced Physics are offered. These courses are offered to juniors and seniors to help them decide their future plans.

MATH

Conrad Weiser has always been known for its excellent mathematics program, but this year a new facet has been added. A network of computers has given sparkle to the entire department. Due to the growing demand for computer knowledge in today's job market this program is quite practical.

However, a general knowledge of math principles is still stressed. Each course gives students a chance to delve into the various studies of this precise field. Because of this system, graduates are able to fulfill the requirements of today and tomorrow.

SOCIAL STUDIES

Social studies here at Weiser allows the students to reach out and learn more about the lifestyles of others. We learn about the different cultures, traditions and ways of living which make up each individual society.

In the same way, we also learn a great deal about our own country. We discover how our ancestors built our nation and developed the ways of living we know today.

The teachers of our school have given us the opportunity to examine the successes and mistakes of our forefathers in hopes that we can build a better future.

ENGLISH

One skill that you will always need to succeed in life, is the ability to speak and write English properly. Here at Conrad Weiser, we strive to prepare the student for this task through a variety of English courses.

This year a new system of study has been introduced to the Senior High. It is the Quad-English program. This program includes courses concerning grammar, reading enrichment, composition and literature. This new set-up has been established to offer students a more rounded curriculum.

In addition to this system, the dedication of each member of the English Department will assure that every C.W. graduate is prepared to meet the requirements of life.

PUPIL SERVICES

GUIDANCE

One of the new departments at Weiser this year is the Pupil Services Department. It is a combination of the guidance offices, the adaptive education program and the health suite. Our guidance counselors help the students select courses which are best suited to their present needs and their future careers. Mrs. Schmoyer's job involves a myriad of tasks, the main one being the good health of our students. The adaptive education program is designed to help students with individual learning problems.

SUPPORT SERVICES

If it weren't for the services of these fine, hard-working people, C. W. would have a tough time being the great school that it is. Every morning, without fail, the bus drivers have delivered students safely to school and in the afternoon have quickly gotten us home. They also have given their time for our extracurricular activities. The cafeteria workers have always been there to save the day when students suffered midday hunger pangs. They've provided us with nutritious lunches and even cooked for various banquets throughout the year. The custodians have certainly done their part in making this school presentable. These busy people have done a super job keeping it clean during the day and at night. They've even been around after our late Friday night dances to help clean up. Here's to the Student Support Services! We appreciate all that they have done for us and the school.

FOOTBALL

Head Coach-Ferdie Kuczala; Anthony Silveri; Joe Heilman; Trainer-Dave Klopp; Steve George.

A MOST MEMORABLE AND EXCITING YEAR 1982

Another super year for the Conrad Weiser Scouts football team-a 20 game winning streak, the longest in the state in AA competition, and another undefeated football season in regular I-C league play. It was our second undefeated season in a row and two consecutive championships.

Pete Rader, Gary Raihl, Randy Miller, Matt Elvin, Dave Pisano, Troy Heck, Scott Morrissey, Andy Grajewski, Cory Schneck, Jeff Hummel, Danny Hiester, Steve Faust and Barry Whitmoyer, all seniors, made history in their repeat performance as champions.

Dave Pisano, Danny Hiester, and Barry Whitmoyer, were selected on the All Berks County First Team offensive team. Danny Hiester and Barry Whitmoyer repeated as All Berks First selections on Defense, along with Randy Miller. Dan Hiester was honored by being named Lineman of the Year.

Cory Schneck was selected on the Pennsylvania All-State second team as an interior lineman. Dave Pisano, Barry Whitmoyer, Dan Hiester and Randy Miller made the Honorable Mention list.

Chosen on the All Inter-County League First Team were Dan Hiester, Dave Pisano, Matt Elvin, Randy Miller and Barry Whitmoyer. Dan Hiester was named again as the Lineman of the Year.

All selections on both the All Berks County and All Inter-County League teams were made by the football coaches of Berks County.

For their outstanding play in individual games this year, the following players were honored as Back and Lineman of the week: Matt Elvin was selected twice, once for the Central Catholic game, and another time versus Hamburg. Dave Pisano had outstanding games versus Muhlenburg and Central and was also one of the few people in the county to be selected two times. Dan Hiester was honored for his play in the Daniel Boone game. Randy Miller was honored for the Holy Name game. Pete Rader was honored for the Schuylkill Valley game.

SOCCER

The Conrad Weiser soccer team had an excellent season this year with an overall record of 11 wins, 8 loses, and 1 tie. The team finished 3rd in their division.

The eleven seniors who will be greatly missed are Karl Harman, Mel Gerhart, Dave Noel, Eric Heathershaw, Roger Stanislaw, Tony Brubaker, Chris Clark, Steve Speiss, Mike Moore, Steve Bright, who received All County honorable mention and senior Tad Achenbach, who made the All County 2nd team.

This 1982-83 squad has been a great bunch of guys for Coach Hartranft to coach. They have a good attitude and good hustle, especially seen in the Governor Mifflin game which they won, 6-5.

HOCKEY: 82-83 CHAMPS

This year's field hockey team had an almost perfect season. The hockey team's record for the 82-83 season ended at 18-2-2. The team consisted of 12 seniors, 10 of whom started. They became the Berks County Champions by beating Holy Name 4-3 on flickoffs. The team went on to defend their district title but lost to Littlestown 1-0 in the closing minutes of the game. Because they were in the district finals, the team was eligible for states and won 2 games before again losing to Littlestown 1-0. Littlestown was the only team that beat Weiser all season. Congratulations to the team and also to Donna Graupp, Lisa Moyer, and Cindy Matlack for making the All-Berks Team and to Mindy Klopp for making the Coachs' Team. The J.V. team also had a successful season compiling a record of 9-1-2. Definate leadership was shown by Tina Groff, Lori Brunner, and Julie Smilac who led the team to victory after victory. Congratulations to the Varsity and the J.V. teams on a successful season.

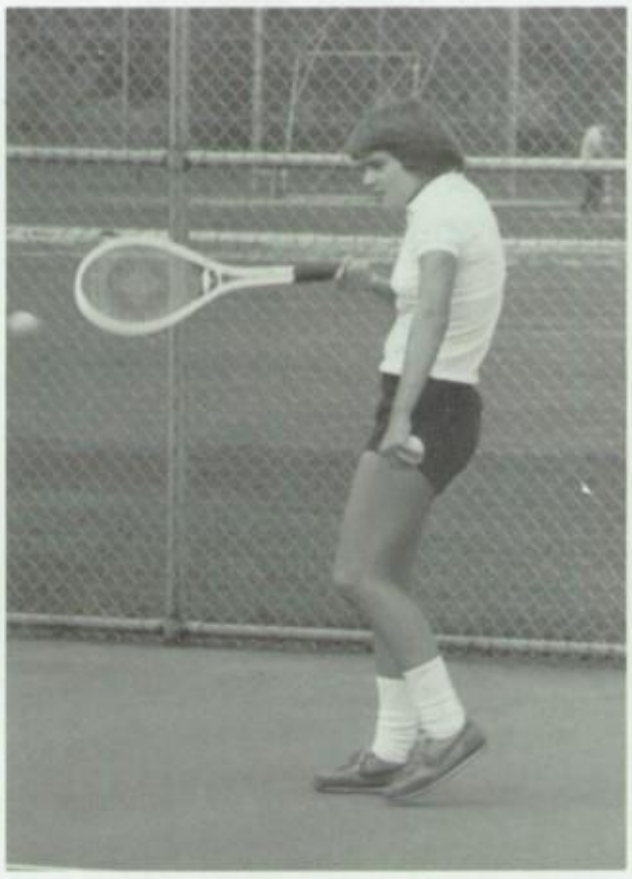
TENNIS

The Girls'Tennis Team this year was completely the opposite of last year's team. It was heavily laden with seniors, although the underclassmen were intermixed as some of the top five players. Senior, LeeAnn Oxenreider, headed the group of courageous players, followed by a second, junior, Brenda Krick, hot on her trail. Deb King, another senior and Terri Bright, a junior, held together the middle part of the team. April Riegel, was the young lady, who did a very good job of taking care of the end of the team.

These five and a mixture of other seniors, juniors, and sophomores had a record for the season of 3-9. Despite this, Coach Long believes the girls had a fun and eventful season. So, good-bye to seniors; Rose Folk, Deb King, Tina Mountz, LeeAnn Oxenreider, Heather Preston, April Riegel and Wendy Rulapaugh and welcome, all future tennis players of 1983.

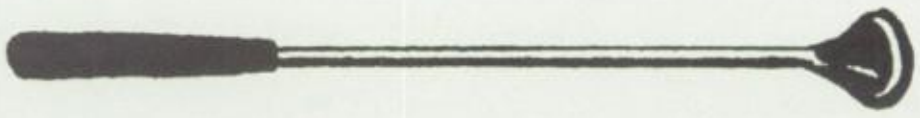


TENNIS TEAM: FRONT ROW: Diana Esterly, Tina Mountz, Deb King, Leeann Oxenreider, Steph Kissling. MIDDLE ROW: Sue Alexander, Donna Hollenbach, Brenda Krick, Terri Bright. BACK ROW: Diane Schaeffer, Wendy Rulapaugh, April Riegel, Heather Preston, Rose Folk, Coach Long.

GOLF

The game of golf is played with much skill and is a game that deals with alot of luck. One must be relaxed and have total concentration on one and only one thing, that the little ball goes into the little hole. The golf team was dominated this year by many under-classmen.

This year's golf team only contained three seniors; Kirk Bean, Russel Miller and Tom Wike. With only a few seniors leaving and the underclassmen continuing this sport, the golf team looks to be accumulating a handful of good, determined golfers. Good luck next year in your season Coach Troutman.



GOLF TEAM: FRONT ROW: Kirk Bean, BACK ROW: Bill McLain, Allen Yerger, Tony Buckholtz, Dennis Kintzer, Coach Troutman, Russel Miller, Tom Wike, Dwayne Lynch, Douglas Yerger

CROSS COUNTRY

The 1982 Cross Country season was one for changing, learning, and building.

The Boys Cross Country team was led by one senior-Harold Mayes-who proved his outstanding athletic abilities by finishing first in a lot of meets.

The so called "changing" came about when the girls had to re-adjust their team when they realized they only had 3 runners. To participate in a legal season a team must be composed of five members. So that knocked the girls out of the league in running.

The X-Country teams participated in such big events as the Conrad Weiser Invitational, and the Steele City Invitational, in which the team finished eighth out of forty teams.

This year's team participated in districts. They placed sixth out of thirty-one teams in district running. Harold Mayes finished with an outstanding twenty-fifth place. Harold missed competing in states by three runners, and the team missed states by two teams.

Good job Cross Country team! And remember all you underclassmen, if you love running, this sport may be for you.

BOYS BASKETBALL

The 1982-83 Boys Basketball Season, under the second year coaching career of Mr. "Chet" Kline, was led by four great seniors- Rob Kirkpatrick, Danny Hiester, Randy Miller, and Gary Deeds. In fact, the Varsity team was made up of all seniors except for two sophmores-Mike Embleton, a starter, and Steve Lutz.

This season has had its ups and downs. Although the team's record doesn't show it, Weiser has grown and developed into one heck of a basketball team. This was a year when Gary Deeds and Randy Miller both had at least ten rebounds per game or when they each scored point after point with their under the basket shot. It was also a great year for Mike Embleton, shooting his long outside shot, fearing not where he stood, and made almost every basket. It was a year when the Conrad Weiser Scouts finally defeated the Wilson Bulldogs- a first in three years.

The J.V. team had a rough schedule. Steve Lutz, Bob Tranquillo, Jamie Hoffa, Alan Moyer, Jim White, Tony Buckholz, Greg Lucas, Steve Miller, Don Ohlinger, and Tony Ballance made up the team under the qualified coaching of Mr. Jim Lord. Next year's team will need all the dedicated, talented, and hard-working J.V.'s because when this year's seniors said good-bye-only two members were left. So anybody interested in basketball-try out. Weiser needs you.

Though it was a tough season, for both Varsity and J.V., playing many skilled opponents (Reading, Holy Name, etc.), the Weiser teams showed much aggression, hustle, composure, and pride. The team spirit surfaced and each B-baller should be proud of his performance in each and every game. Thanks for some great memories 1982-83 Boys Basketball Team.

GIRLS' BASKETBALL

The Conrad Weiser Girls' basketball team enjoyed one of its most successful seasons this year. Under the coaching of Mr. Tom Bausher, the varsity team has achieved an impressive 8-3 record to date. This year, the girls brought home a 3rd place trophy from the Hamburg Christmas Tournament. In this same tournament, junior Amy Miller was elected to the all-star team and also received a trophy to commemorate her efforts.

Memorable events for the team include the victory over Schuykill Valley and Wyomissing. The girls are, as of this writing, 2-0 in their division. This is the team that has the potential to go one step further than last year's team, possible to achieve a championship title.

The team is composed of four seniors and six juniors. All of these players contribute to the team's success whether it be on the court or on the sidelines.

The starting five is composed of Danielle Matlack, Mindy Klopp, Donna Graupp, Cindy Matlack, and Amy Miller. Valuable back-up is provided by Lisa Cox, Deb Harding, Jane McDonald, Julie Marion and Chris Goodhart.

Cindy Matlack and Amy Miller lead the team in rebounds. Effective ball-handling is displayed by Donna Graupp, Mindy Klopp, and Danielle Matlack.

The J.V. team, under the direction of Ms. Diane Rurode, has a respectable 7-4 record, as of this writing. The starting five is composed of the following; sophomores Donna Laumeister, Tina Groff, and Lori Brunner; freshmen Lyndell Miller and Missy Sanders. These are the players to watch in the future on the varsity level.

Varsity: First Row: Mindy Klopp, Cindy Matlack, Amy Miller, Jane McDonald, Danielle Matlack. Second Row: Donna Graupp, Chris Goodhart, Deb Harding, Coach Bausher Lisa Cox, Julie Marion.

WRESTLING

Two words that are usually associated with wrestling are desire and dedication. It was evident that Coach Joe Heilman got this point across to his wrestlers this year. Senior Scott Morrissey placed first at the Donegal Christmas Tournament and was awarded the most pins award. Andy Grajewski, one of the most improved wrestlers on the team, also placed at 167 pounds. Jeff Hummel placed second in the tournament. Juniors Terry Budwash, Marcial Sosa and Troy Brown are all expected to do well their senior year. Coach Heilman and Tom Organtini are looking forward to having another good season.

BOWLING

The members of a bowling team must have good form, consistency, and concentration. Spirit and motivation are also needed to drive the team to victory. The CW 1983 bowling team has shown these traits and as a result they have had another winning season.

Coached by Mr. Rissinger, both the boys and girls varsity team finished the season with a record of 31 wins, 14 loses. The boys finished second in their division while the girls came out on top as the champions of their division. Leading the boys team was Russ Miller with an average of 191. For the girls Diane Shafer, a sophmore, was on top with an average of 171. The J.V. boys finished the season with a record of 18-27 and the J.V. girls final record was 23½-21½.

CHEERLEADERS

During the 1982-1983 season it was a great honor to cheer our favorite teams to victory. Being Inter-county League champions for the second time, has made the cheerleaders very proud.

Winter season brought the task of boosting Weiser Pride by cheering the basketball and wrestling teams on to victory.

Holding pep-rallies, getting ready for competition and performing their make up dance to "Devo" were among the many events that kept the Weiser cheerleaders busy. The wrestling cheerleaders also displayed their talents by dancing to their pom-pom routine "Flame Thrower".

All three Weiser cheering squads are proud to be a part of the Scouts endless spirit.

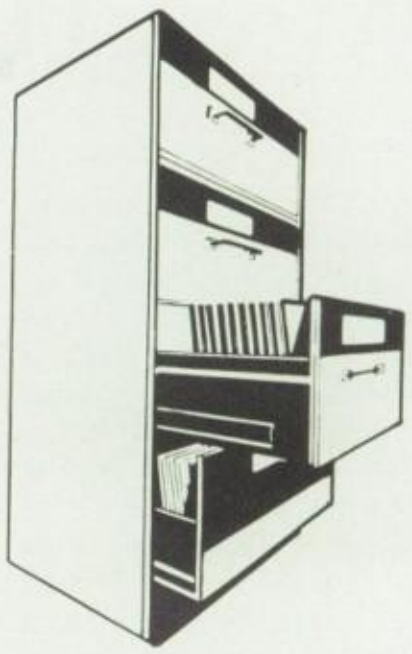
WEICON

Members of the Weicon staff have put many hours of hard work into the 1982-83 yearbook. This year staff members were involved in more of the processes dealing with yearbook production. Members took pictures and made major decisions concerning the outcome of the yearbook.

After many years of dedicated work to Weicon, Mr. Thomas Alexander retired. His responsibilities were passed on to Mrs. Chrystine Heck, who was willing to devote many hours of her time to Weicon. We also had assistance from Mr. Andrew Santora, our yearbook representative from Jostens.

The diligent work put forth by Mr. Alexander has been greatly appreciated, and was greatly missed by the senior staff members of Weicon. This year without him has been a learning experience for everyone involved.

First row: Tina Mountz, Heather Bollinger, Kelly Weatherholtz, Cindy Lied, Dan Brehony, Patricia Carl, Karen Wolf, Merlene Strunk Second row: Becky Hemperly, Sue Alexander, Terri Bright, Kim Bright, Julie Marion, Lisa Merkel, Lori Gottshall, Traci Michael, Lisa Moyer, Nancy Miller, Ann Schlaybach, Diane Hook, Val Jenkins Third row: Diana Lengel Sherry Woessner, Maria Dunkle, Michelle May, Diane Grimes, Jane MacDonald, Cindy Matlack, Beth Ritz, Michelle Faust, Carol Berger Fourth row: Diane Manbeck, Wendy Bashore, Angie Scibelli, LeeAnn Kiscadden, Kris Spaid, Sheila Edwards, Heather Preston, Lisa Matthew, Amy Miller, Grace Leinbach, Cathy Zerbe



DRAMA CLUB

As is always the case at C.W., the Drama Club presented a fine play again this year. The show was "Cheaper by the Dozen" and after weeks of hard work proved to be a hit. This comedy was about a strict father, Mr. Gilbreth and his twelve, well disciplined children. These children wanted desperately to be fashionable, modern teenagers but their father's military-type rules made it almost impossible for them. The eldest girl, Anne, through brazen defiancy, eventually was allowed to date and wear silk stockings. At the end of the play it was learned that "dad" just wanted to be sure his family could manage without him.

The students who participated in this successful play had a great time while doing a fantastic job. With Miss Rurode's excellent guidance everyone, cast and crew alike, were shining stars on October 23, 1982 when the curtain rose on "Cheaper by the Dozen."

NHS

The National Honor Society inducted seventeen new members, fourteen juniors and three seniors, into it's realms on November 9, 1983.

These people were invited to join this prestigious organization on the basis of their grade point average, and their school involvement. All NHS members must carry a 3.5 grade average and be involved in school activities. These fine young people were also honored for their scholarship, leadership, character and service to the school.

At the induction ceremony, Diana Lengel, Steve Bright, Laurie Essig, and Patti Palm gave inspiring speeches on the forenamed traits. Guest speaker, Ms. Holly Jobe, gave her speech on the consequences of being a member of such a fine organization. Mr. Harold Stern also added his congratulations and a few words of wisdom. The whole affair was presided over by Ann Schlaybach, NHS president, and was initiated by Mr. Lester Breininger, club advisor.

An enjoyable reception followed the induction and thanks must be given to all those that made the reception a success.

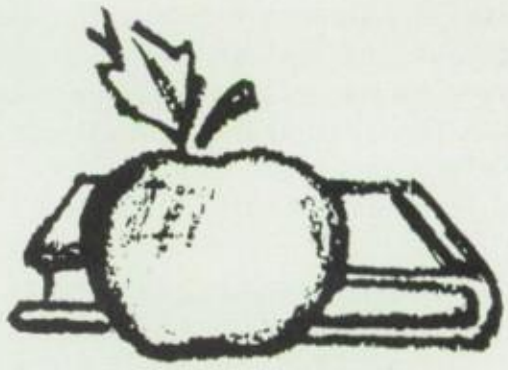
The Student Council has been striving to attain the respect of the student body and this year has earned that respect.

Once again the Student Council was responsible for the annual staff breakfast, an event that was a huge success.

They also held fund-raisers of selling shirts during the school year, and carnations for Valentine's Day. They helped in raising Christmas spirit by holding a homeroom decorating contest. Gary Paulson also took part in a week long excursion in Washington, D.C., that brought back some bright new ideas for future councils.

Of course, none of this could be possible without the leadership skills of advisors Mrs. Schmoyer and Mrs. McCubbin.



Senior High Members: First Row- Cathy Zerbe, Cindy Behney, Cathy Stump, Tina Mountz, Lisa Moyer, Grace Leinbach, Amy Miller, CiCi Carl, Terri Moyer Second Row- Wendy Bashore, Beth Ritz, Sherri Aulenbach, Tammy Achenbach, Lori Dreibelbis, Stef Shartle, Meg Nase, Julie Smilak Third Row- Eric Ray, Mike Auman, Rich Spaid, Mike Embelton, Gary Paulson, Amy Miller, Marcia Dreibelbis, Jane McDonald, Nancy Miller Fourth Row- Troy Achenbach, Robert Tranquillo, Tom Organti, Todd Evans, Scott Conrad, Tom Schlappich

SENIOR BAND

This year has been the year of accomplishment and development for the Weiser bands. The Senior Band has tried to create a "new image". They have successfully done so with the combined efforts of Mr. Greene, who choreographed the field show, Mr. Brown, who spent hours trying to keep the beat with the drummers, Mrs. Moody, who helped the bandfront with their routines, and Mr. Mills, who helped to achieve the big sound which has been projected.

The band spent many grueling hours on and off the field practicing. All of these hours of hard work were rewarded with an excellent rating in the Strike Up The Bands Competition. The band also participated in many parades and concert performances. A new tradition was begun when the band decided to get in the Halloween spirit by wearing costumes for the annual Halloween Parade. The Pep Bands create the spirited atmosphere at the basketball games. All these activities contribute to building the spirit of the entire school.

Hard work is not the only thing involved with the band. Many memories were shared among the members of the band including bus rides, championship football and hockey games, and practices. The enthusiasm can be accredited to the seniors of the band, who never failed to get the group psyched before a performance. The first season for the new uniforms also raised the spirit a bit.

The band was under the excellent leadership of drum majorette, Cindy Lied, along with band front Captains Karen Wolf, Lisa Matthew, and Deanna Kissling. The band officers, under President, Caz Nabozny, spent many lunch periods discussing the improvements which can be made. They are the nucleus of the band who gave all their thoughts and efforts into making the band what it has been this year. Hopefully this "new image" will be evident in the many activities of the Senior Band in the years to come.
